The form will be available at the pre-booked accommodation unit

Quarantine upon arrival in Goa is not required.

Option A: carry a Covid-19 negative certificate issued in last 48h (in this case, no extra test needed in Goa)

or

Option B: get tested in Goa, at your own cost, at state entry point. Pay the test fees online or at state entry point.

## Travel

By road: Dodamarg, Patradevi, Keri, Mollem, Pollem

By air: Dabolim International Airport

## Upon arrival

Go to the tourism kiosk at respective entry point. All tourists will undergo a basic screening through a thermal Gun.

Get your mandatory documents checked at the tourism kiosk (see 1, 2, 3)

Your swab sample will be collected at the state entry point. If you carry a Covid negative certificate from your port of origin, you can skip step 7 and 8.

Go to your accommodation for check-in. You will stay in isolation until the result comes (not applicable in case you are carrying a COVID-19 negative certificate)

Your result will come after 1 or 2 days. If negative, you can stay Goa. If positive, you will go to institutional quarantine.

Welcome to Goa! Stay safe and enjoy!
